Judge Aleta A. Trauger

**ORDER**

For the reasons explained in the accompanying Memorandum, the Motion for Review of a Non-Dispositive Order of the Magistrate Judge (Docket No. 213) filed by Amalgamated Bank, as Trustee for the LongView Collective Investment Fund, ("Amalgamated") is hereby **GRANTED** in part and **DENIED** in part. The defendants are hereby ordered, within fourteen days, to:

1. Furnish Amalgamated and the court with a privilege log consisting of entries for all withheld documents for which Amalgamated has, in prior logs, identified Natasha Metcalf as the only relevant counsel or legal staff, including a field with the heading "Counsel Creating Privilege" and identifying by name the attorney(s) relevant to each assertion of privilege;
2. File an affidavit or declaration explaining Metcalf's role at CoreCivic, particularly as it is relevant to the defendants' assertions of privilege; and
3. Furnish to the court, for *in camera* review, all documents covered by the Metcalf privilege log.

It is so **ORDERED**.
